

**DELHI PUBLIC SCHOOL BULANDSHAHR**  
**CAMBRIDGE INTERNATIONAL EDUCATION**  
**HOLIDAY HOMEWORK**  
**CLASS-V**

SUBJECT	
ENGLISH	<p><b><u>Reading Project:</u></b></p> <ul style="list-style-type: none"><li>• Read any book( fiction or non-fiction).</li><li>• Create a book review (80-100 words) including title, author, summary, favourite character and what you have learned.</li></ul> <p><b><u>Creative Writing:</u></b></p> <ul style="list-style-type: none"><li>• Write a short story titled “The Day I Found A Talking Animal” in 150-200 words</li></ul>
HINDI	<p>* संवाद लेखन: मैं और एक घायल पक्षी * कल्पना करो कि तुम्हें एक घायल पक्षी मिला और वह बोल सकता है। * तुम दोनों के बीच 8 पंक्तियों का संवाद लिखो। आप उसकी सहायता कैसे करेंगे अपने शब्दों में लिखिए।</p>
MATHS	<p>Project Title: “The Math Machine” Create a working or interactive model that demonstrates basic mathematical equations or operations (addition, subtraction, multiplication, division). Show 10 interesting equations using real-life examples (e.g., 2 apples + 3 apples = 5 apples). Try to include a fun element like a game or quiz. Prepare a short explanation of how your model helps understand equations better.</p>
SCIENCE	<p>Make a model or chart showing a food chain or food web.</p>
GP	<p>“What’s in Your Wardrobe?” This holiday, pick any old clothes from your wardrobe and upcycle them into something new and useful! You can make: A toy, A pouch or bag, A rug or blanket or anything creative! Use Fevicol or fabric glue (no stitching needed).</p>
SST	<p>Prepare a 3D model of any one type of landform or region of your choice.</p>

➤ **Please do the holiday homework of each subject neatly in the respective school notebooks.**
