

Dear Parent

April 25, 2020

The success of any venture solely depends upon constructive collaboration and teamwork. It gives me much pleasure to endorse the fact that you have extended continual support, genuine feedback and valuable suggestions since the commencement of online streaming of classes (the last week of March 2020). However, there are a few points to be considered with great seriousness by all of us.

- ✓ Please keep a regular check on your child's online activities and monitor the device used by him/her.
- ✓ Please ensure that your ward doesn't misuse the online rights given to him/her.
- ✓ Your child's enrolment in online classes will remain cancelled in case he/she is found resorting to cyber bullying or harassment or engaging in any disruptive activities.
- ✓ In case you find any objectionable or inappropriate content on the device, please share with the Class Teacher or the Class Coordinator without delay.
- ✓ Parents of junior and middle wings should try to accompany their wards during online classes or at least be available near the child.
- ✓ There are strict government rules and norms around cyber security (bullying and harassment inclusive). We request all parents and students to be aware of the same.

On behalf of the entire DPS Bulandshahr fraternity, I extend my heartfelt gratitude to all parents and guardians for their active partaking. Please feel free to contact us in case you have any observation to share or if you face any difficulty during online classes. We look forward to be blessed by your constant support in order to make our digital expedition a great success!

Principal
