Circular (Class - XII)

Dear Parents,

At **DPS Bulandshahr**, our primary goal has always been to provide the best education possible for our students. We continuously strive to enhance our curriculum, facilities, and resources to ensure that every child receives a well-rounded and enriching educational experience. Our commitment to excellence is reflected in the remarkable achievements of our students, both academically and in various extracurricular activities.

Our students have consistently excelled in their studies, achieving outstanding results in **CBSE Board Exams, JEE (Mains and Adv.), NEET, CUET, CLAT & other various Competitive Examinations**, thanks to their hard work and parental support. Their achievements in **Sports, Arts, and Co-curricular** activities are a source of pride.

These accomplishments would not have been possible without the dedication and tireless efforts of our esteemed teachers. They continually go above and beyond, sparing their valuable time to provide personalized attention, guidance, and support to each student. Our teachers work diligently to create a nurturing and stimulating learning environment that inspires our students to reach their full potential.

As you are aware that the school has just conducted the **Mid-Semester Examination** for Classes X & XII to assess the **Academic Progress** of students. Based on the results, the **School** plans to organize the following Classes from Monday 22nd July 2023:

- (a) **Remedial Classes** on Monday, Tuesday & Wednesday.
- (b) **Enrichment Classes** on every Wednesday.

The class timings will be **2:15 pm to 3:45 pm** on the given days. Buses will ply on selected routes (**Khurja & Sikandrabad**) to drop the students at the nearby locations (Only for students availing school transport). It is mandatory to attend these Remedial and Enrichment Classes. The timetable for these classes will be shared by the Class teacher shortly.

We believe that **education is a collaborative effort**, and we are grateful for the support and trust you, as parents, place in us. Together, we can continue to nurture and guide our students to achieve their fullest potential.

Together we can do so much.”**
