

Circular: Re-Examination Announcement for Classes X & XII

Dear Parents,

As you are aware, the **First Term Examinations** have recently concluded. Upon reviewing the results, it has been observed that students **require improvement** in certain subjects. These subjects are critical not only for their academic progress but also for their accuracy and preparedness for the upcoming board examinations.

To address this, **Delhi Public School Bulandshahr** is organizing a re-examination for these specific subjects. This initiative is aimed at enhancing the academic performance of our students and ensuring they are well-prepared for future challenges.

We have scheduled the **re-examination** for **14th October**, which will take place on a **regular working day**. To ensure that our students make the most of this opportunity, we have allocated a one-week preparation period. During this time, we earnestly **request parents** to provide focused attention and guidance to their children. Your encouragement will be **key in motivating** them to approach the exam with diligence and confidence.

The Exam Date Sheet

S. No.	Date/ Day	Class	Subject
1	14 October 2024 (Monday)	XII	Physics/Accountancy/Pol. Sci.
2		X	Mathematics

Additionally, we encourage parents to motivate their wards to attend the revision, remedial, and enrichment classes regularly. Our dedicated teachers are working tirelessly to ensure the best learning experiences, **helping students grasp complex concepts and excel in their studies.**

We greatly appreciate your continued trust and support in helping us achieve the best outcomes for our students. Together, we can ensure their academic success and growth.

Warm regards,

Principal
